Dark forces growing
Brimstone fills the air and lungs
The Miser has come

Old scrolls guide my hand,
I play last edition’s war
yet Spartans still crush.

Silent ranks arise,
dust and ash beneath their feet—
war calls through the grave.

Heath Hatheway
Lyonesse stand resolute,
Mousillon's restless dead stir
Lady's Wrath purges the wicked

Joel Flint
Crimson banners wave,
Fanatics march, steel echoes,
Sun god's light calls them.

Brandon
Before gods had names
He Whispered and men wept blood
All paths end with him

Ben Ker
Dorf Dorfs Dorfs dorfs dorfs
Nobody Likes to Play them
Come and Get me. Ha!
